## **WHAT TO EXPECT FOR YOUR COMPETITION TANNING**

Your tan is a critical part of your stage presentation. Following Bombshell Productions' instructions ensures a flawless, even, stage-ready tan.

### **Step 0: Skin Prep (Critical!)**

- Start at least 4 weeks before your show for best results
- During peak week, your prep becomes more focused and precise
- Follow our skin prep instructions exactly — we are the professionals who know what works for competition spray tanning
- Proper prep impacts:
  - Even coverage
  - Longevity
  - Color development
- Schedules for tanning, hair, and makeup will be emailed to the address used for booking, usually by Wednesday at 6 PM of peak week

### **Step 1: Arrival & Dry Tent**

- You'll arrive and check in with our team
- You'll be assigned a private dry tent for all belongings (clothing, shoes, bags)
- Keep everything inside until after your tan

### **Step 2: Prep**

- Undress completely
- Team provides:
  - Hair net
  - Barrier cream for palms, nails, toenails

## **WHAT TO EXPECT FOR YOUR COMPETITION TANNING**

### **Step 3: Base Tan**

- Enter the tanning tent for 2 back-to-back coats
- After spraying, return to dry tent:
  - Hands wiped clean
  - Sticky feet removed
  - Signature drying powder applied

### **Step 4: Develop**

- Tan fully develops in up to 12 hours
- Avoid putting on your suit — friction can damage your tan
- If necessary, wait minimum 3 hours to put a suit on before checking with your coach; we advise only putting your suit on 1-2 times max before show day if absolutely required

### **Step 5: Touch-Ups & Final Coats**

- On show day, touch-ups are done before stepping on stage
- 1-2 additional coats may be applied depending on tan development
- Ensures final color is even, flawless, and stage-ready

### **Key Reminders:**

- Start skin prep early and follow instructions carefully
- Stay dry after base tan
- No jewelry or tight clothing during tanning
- Hair must remain in hair net until touch-ups
- Trust the Bombshell team — our recommendations are designed for competition success
